Subject: By 5 pm Wed: Review draft CDC letter to Senators re PA PFAS

Hi Jennifer and David –

Congressmembers from PA sent CDC, EPA, DOD, and the Navy a letter about PFAS. CDC has drafted a response and has asked us to review. Andy Gillespie reviewed and has no comments. Would you like to review and provide comments as well? All comments are due back to OCIR tomorrow at 5pm.

Chad, Sasha, Sam, and Greg,

As Sam and Greg are already aware, on Friday, CDC's legislative affairs office sent us a draft response to review to the recent incoming multi-agency letter on PFAS from both Pennsylvania Senators plus Reps. Fitzpatrick, Boyle, and Dean.

Attached is the draft CDC response, along with the incoming. The attached response would just be CDC's response to the letter; we and DOD could pursue separate responses.

Finally – I'm also checking on what DOD is planning to do, and I'll let you know what I learn.

Thanks,
Matt
